440-350-2563 ext. 780 | porterscience.lcesc.k12.oh.us

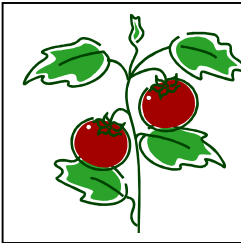

The Porter Program for Science and Mathematics presents

Young Scientists Adventure Camp

Prepared for 3rd through 6th grade students

Put down the video controllers and experience a week of science fun with the Porter Program scientists at the Lake Metroparks Environmental Learning Center, 7250 Alexander Rd., Concord, Ohio, 44077. We will explore nature, animals, water and physics as you become Environmentalists, Physicists, Microbiologists, Entomologists, Aquatic Biologists and Engineers.

- Outside Activities so dress for the weather, wear & bring sunscreen
- Hiking after lunch
- No flip-flops except on water day
- Bagged lunches will be refrigerated (no food available on the property)
- Pizza & drinks will be provided on Friday.

June 20th-June 24th*

9:00-1:15

Camp fee \$125

Register by calling Mon-Fri 9am-1:00pm 440.350.2563 ext 781

*More weekly camps will be added as needed to include as many students as possible.

Whoooooo wants to join us
for a week of fun?
